## Avatar Meher Baba ki Jai

On 22nd of November 1952, the footprints of the Avatar fell on the land of Meherastana (Mahewa). Baba lovers of Mahewa constructed a small hut (Kuti) for Him. It was erected on an elevated hill standing in the middle of wild nature not far from the village. Baba felt very pleased to see this hut and instructed to maintain it.

During the second visit to Mahewa Hamirpur in the middle of the night of February 9, 1954 (that is, February 10, 1954), Baba publicly declared His Avatarhood. Raising his hand after running his finger on the alphabet board, Baba spelled out through Eruch, "Avatar Meher Baba ki jai!" All took up the declaration, repeating it several times. This was the first time that Baba himself had spelled on the board "Avatar Meher Baba ki jai."
